Technical specifications

- A powerful, portable POS that comes with a barcode scanner and wireless charger
- Close sales faster with the Flex 4's high-performance rechargeable lithium-ion battery that lasts a full workday

Flexibility – It's right there in the name

Whether your business runs on the go, out of a food truck or tableside, Flex is purpose-built to meet your needs. Run your business wherever you are: at home, on your counter, in your apron pocket or on the road.

Sales-ready and fast!

Start taking orders right out of the box, with minimal setup and training. Quick setup, fast unlocks, an ultra-responsive touchscreen, LTE connectivity and more.

Get smart about inventory. Manage stock from anywhere

Build your inventory quickly with the built-in barcode scanner. Categories, labels, modifiers and variants help keep your stock organized and up to date.

Cloud access anytime, anywhere

Access and manage your back-office data, reports and payroll from anywhere to keep your business running: in store, at the office or on the road.

Maximum reliability

Get ready to ring up sales all day long. Wi-Fi and 4G/LTE connectivity powered by a lithium-ion battery gives you seamless redundancy.
