Clover Station Solo for Restaurants

Manage your restaurant business with Clover Station Solo

A powerful restaurant point-of-sale (POS) device to manage your dine-in, take-out and delivery services

Clover® Station Solo provides the power you need to take orders, print bills, track sales transactions, and run Clover's software to manage your restaurant business.

Manage orders and print bills

Enter and fire orders to the kitchen, print bills and receipts and access the Clover Dining software to manage your restaurant.

The power to run your business

Runs on a high-performance chip and the latest operating system to give you the speed you need.

Security built-in

Control access with roles and permissions, fingerprint login and two-factor authentication.

A powerful POS system to run your business

- Take orders over-the-phone by keying in card information in Virtual Terminal
- Print receipts with optional printer add-on
- Manage orders, inventory, employees and other parts of your business with Clover Dashboard

Clover Station Solo for Restaurants
