POWER PAYMENT SOLUTIONS

PRODUCT 01 / MOVE/5000 ACCESSORY

INGENICO MOVE/5000 BASE

A dedicated countertop dock for a compatible Ingenico Move/5000 terminal.

ELAVON SKU M50BC / M50BASECAN

WHY IT WORKS

Give the Move/5000 a defined countertop home between mobile transactions, making it easy to dock, charge and hand off for the next shift.

ACCESSORY ONLY - MOVE/5000 TERMINAL IS SOLD SEPARATELY UNLESS QUOTED

Dock and charge

Keep a compatible Move/5000 powered between uses.

Countertop home

A clear return point helps teams keep hardware organized.

Fast handoff

Pick up the terminal for mobile checkout, then dock it again.

Purpose-built fit

Designed as a companion accessory for Move/5000.

Tidy workflow

Create a more deliberate home for the terminal and power lead.

Configurable setup

Confirm cables and port configuration before ordering.

COMPATIBILITY

Works with Move/5000

The terminal shown is for compatibility context. Confirm the required terminal and base configuration in your quote.
