PRODUCT 03 / PORTABLE SMARTPOS

NEWLAND N950

A modern portable smart terminal with a large display, wireless flexibility and onboard receipts.

ELAVON SKU N950C

WHY IT WORKS

Take a clear, app-style payment experience to the counter, table or customer with connectivity designed for both fixed and mobile checkout.

6-inch display

High-resolution touchscreen supports clear navigation.

Wireless flexibility

Wi-Fi, Bluetooth and 4G capabilities are available.

All payment types

Accept tap, insert, swipe, wallets and QR workflows.

Receipts onboard

Integrated printing keeps checkout self-contained.

Mobile power

High-capacity battery options support busy service days.

Business tools

Run supported management and value-added applications.

MOBILE READY

Counter to customer

Use the N950 at the counter or carry it to tables, pop-ups and other customer-facing payment points.
