PRODUCT 02 / SMART CHECKOUT

POYNT C CANADA31

A cloud-connected smart terminal designed to move from the counter to the customer.

ELAVON SKU PYTCC

WHY IT WORKS

Bring payments, receipts and useful business insights into one polished checkout experience built for customer-facing environments.

Dual-display flow

Give staff and customers a clear side of the checkout.

Cloud connected

Access transaction reports and business insights.

Flexible checkout

Move from the counter to where customers want to pay.

Built-in receipts

Integrated thermal printing keeps the setup all-in-one.

Modern payments

Accept tap, insert and swipe transactions.

Smart tools

Use supported Poynt apps and management features.

SMART EXPERIENCE

Checkout + insights

Poynt combines payment acceptance with cloud reporting and a polished, customer-facing experience.
