Moneris®/MD

The sleek speed of Moneris Go Plus.

The Moneris Go Plus terminal is a powerful payment tool you can simply grab and go to wherever your business grows next.

Benefits built with you in mind:

Get set up and go

Don't let setup slow your business down with minimal configuration required out of the box, so you can get back to business.

Take your business with you

Be prepared for wherever your business takes you with all-day battery life and cellular connectivity already included.

Give your customers options

Offer your customers the ability to pay with their card of choice, with support for all major payment types and so much more.

Dynamic Currency Conversion
Let your customers make contact and contactless payments in over 110 different currencies, now included with Moneris Go Plus.

Installments enabled by Visa
Allow your customers to pay in more manageable installments.

Moneris Gift Cards
Be there for your customer's big moments with gift cards customized for your business.

Integrate your way

Choose the integration that's right for you with WiFi, wireless and app support available, giving you the ability to unlock even more value.

Tokenization
Securely store card data for recurring payments.

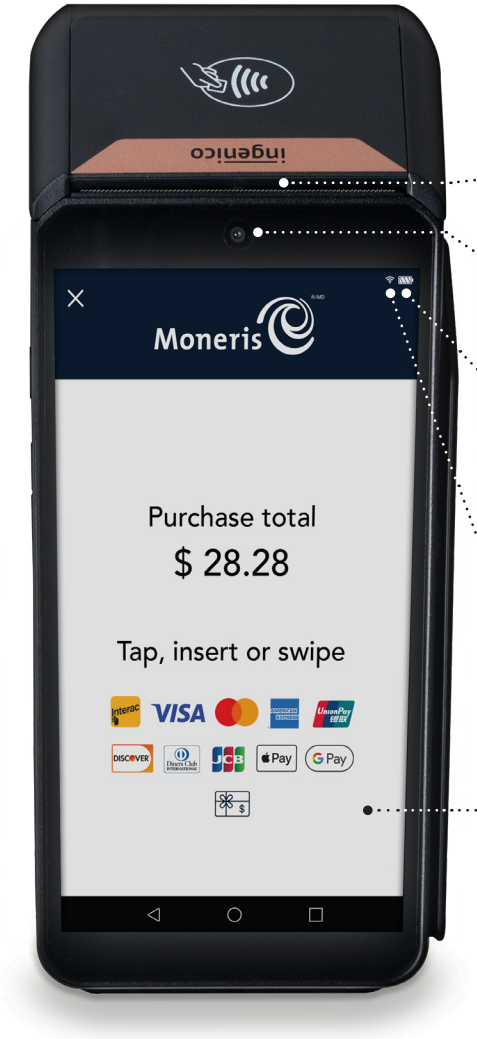

Store and forward
Process payments even if your internet connection is interrupted.

Get even more when you choose Moneris:

Keep your payments secure
Enjoy the peace of mind of knowing your terminal is equipped with the latest security standards for card processing with PCI PTS v6.

Stay on top of your business
View real-time transaction data, insights, and management tools to make real-time business decisions.

Find support when you need it
Get in touch 24/7 with our dedicated support team, who will be happy to assist you in both English and French.
