Tap to Pay on iPhone Now available with the Moneris Go app[1]

Now you can accept all types of in-person, contactless payments right on your iPhone—from physical debit and credit cards to Apple Pay and other digital wallets—no extra readers or hardware needed. It's easy and secure.

Getting started is easy.

To use Tap to Pay on iPhone with the Moneris Go app, simply download the Moneris Go app, sign up and start accepting in-person, contactless payments anytime, anywhere—right on your iPhone.

Reach new customers.

With Tap to Pay on iPhone, you can explore new markets, customers, and set-ups—like line-busting.

Security built in.

Tap to Pay on iPhone uses the built-in security features of iPhone to help keep transactions secure. When a payment is processed, Apple doesn't store card numbers on Apple servers.

Help keep your business running with Moneris by your side.

Affordable, however you sell.

No matter your business' size, accepting payments is easy thanks to Moneris Flat Rate Pricing that comes with no commitments or hidden fees. Simply pay a flat processing fee with every payment.

A partner that understands you.

Moneris is a Canadian business backed by two Canadian banks, processing payments for over 20 years, and supporting over 325,000 Canadian merchant locations across the country and counting.[2]

24/7 support by your side.

We have real people with real solutions to your real issues ready to help whenever you need it—all day, every day.

Contact a Moneris Sales Representative or visit moneris.com/taptopayoniphone for more information.

Tap to Pay on iPhone requires a supported payment app and the latest version of iOS. Update to the latest version by going to Settings > General > Software Update. Tap Download and Install. Some contactless cards may not be accepted by your payment app. Transaction limits may apply. The Contactless Symbol is a trademark owned by and used with permission of EMVCo, LLC. Tap to Pay on iPhone is not available in all markets. For Tap to Pay on iPhone countries and regions, see https://developer.apple.com/tap-to-pay/regions/.

[1] To process transactions using Tap to Pay on iPhone with the Moneris Go app, you must enter into a merchant agreement with Moneris Solutions corporation for payment processing. All transactions are subject to the terms and conditions of your merchant agreement.

[2] Moneris data, 2018, based on the number of credit and debit card transactions being processed by Moneris merchants.
